

**To Pilots who will fly into Punta Pescadero,**

Loreto is a good point of entry to clear Mexican customs and also to go out from...Carlsbad/ Palomar KCRQ is now a point of entry, so you do not need to stop at Brown Field or Calexico, you can go direct KCRQ.

You file a day ahead, FAX your arrival information to customs office in Carlsbad, form 178, call San Diego radio around San Felipe, then call Tijuana approach who will hand you off to SOCAL approach..then to Carlsbad...

Before flying into Carlsbad direct, you need a Customs Overflight Exemption from US Department of Homeland Security..

Custom office is located just to the east of the tower and they will meet you..

Customs office phone is 760-760-431 4629 and FAX is 760-431-4644 and they can give you the form number for the overflight exemption..

**The owner of Casa Cardonal, Steve Colwell, is a pilot and flies frequently in and out of Mexico and can help with your questions at 760-729-8743.**
